FAQs

Free Trial

The fully featured Botlink InSites plan is completely free for 14 days after sign up. No credit card required.

Product Demo

If you would like to see Botlink before using the free trial. Schedule an online demo of the Botlink system.

Payments

At the end of the free trial, you will be asked to enter your billing information in order to continue using Botlink. You can choose between a plan and monthly or annual billing.

Students and Non-Profits

If eligible to get a discount, please contact us at info@botlink.com to learn more.

Cancel or Change Plan

You can cancel your plan at any time. Any changes you make will be reflected immediately and the current month will be prorated accordingly at the end of your existing billing cycle.

Recovering a Cancelled Account

You can recover an expired account anytime by buying a plan and get access to all previously created data.
